- Lowering warning alarm
- Horn
- Hour meter
- Emergency pump
- Proportional control system
- Heavy-duty off-road tyres
- Safety support bars / safety props
- Dual-flashing beacon light

MODEL	XDWI80RT	
<b>Size</b>		
Maximum Working Height	18 m	
Maximum Platform Height	16.3 m	
Platform Extension Length	1.0 m	
Lifting Capacity	750 kg	
Lift Capacity on Extension	200 kg	
Platform Dimensions (L × W × H)	3.9 × 2.18 × 1.15 m	
Platform Length (Double Extended)	5.9 m	
Platform Skirting Board Height	0.15 m	
Overall Length with Outriggers	4.9 m	
Overall Width	2.3 m	
Overall Height (Stowed)	3.26 m	
Height with Guardrails Folded	2.47 m	
Wheelbase	2.84 m	
Ground Clearance	0.32 m	
Tyres (mm)	33 × 12 – 20 in	
<b>Performance</b>		
Turning Radius (Inside)	2.5 m	
Turning Radius (Outside)	5.65 m	
Raising / Lowering Time	80 / 90 s	
Drive Speed (Stowed)	4.5 km/h	
Drive Speed (Raised)	1 km/h	
Drive Height	9.6 m	
Gradeability	40%	
Outrigger Level Ability (Front-Back)	7°	
Outrigger Level Ability (Side-Side)	11°	
Control Mode	Proportional control	
Drive Model	4-wheel drive	
Hydraulic Tank Capacity	120 L	
<b>Power</b>		
Power Source	Lithium battery	
<b>Weight</b>		
Total Weight	9010 kg
